¿DÓNDE HAY MÁS?

- Pedro tiene 4 acuarios diferentes, y en cada uno, tiene diferentes cantidades. Marca con una X donde hay más peces.

Acuario 1

Acuario 2

Acuario 3

Acuario 4

ACTIVIDAD:

1. ¿Dónde hay más?

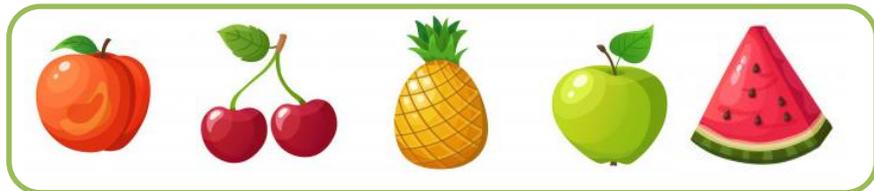

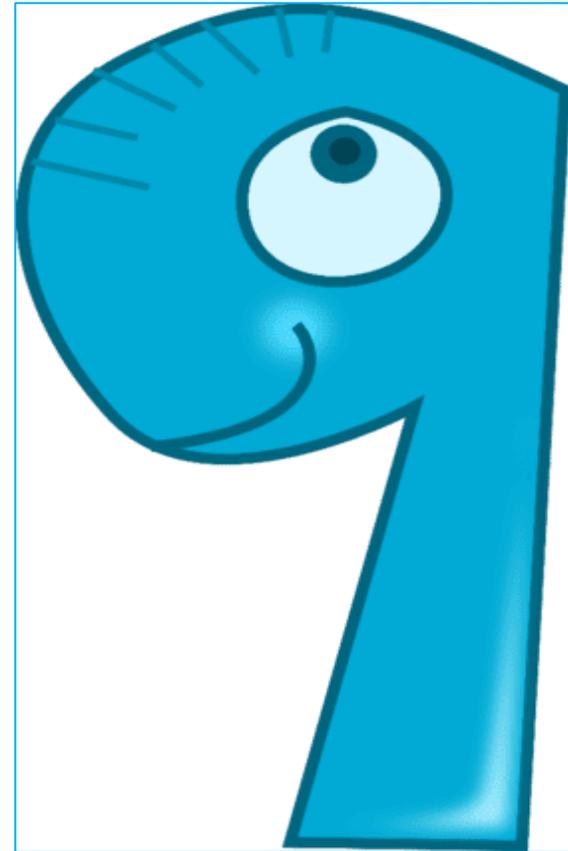

Two whiteboards are shown side-by-side, connected by a metal ring at the top. The left whiteboard contains six black and white panda illustrations arranged in three rows of two. Below the illustrations is an empty white square box. The right whiteboard contains seven yellow koala illustrations arranged in three rows: the top row has three, the middle row has two, and the bottom row has two. Below the illustrations is an empty white square box.

2. ¿Dónde hay menos?

Two whiteboards are shown side-by-side, connected by a metal ring at the top. The left whiteboard contains ten orange illustrations arranged in a pattern: the top row has four, the second row has three, the third row has two, and the bottom row has one. Below the illustrations is an empty white square box. The right whiteboard contains nine red apple illustrations arranged in three rows of three. Below the illustrations is an empty white square box.

¿CUÁL ES MAYOR?
