___ IT ___

3. Lee el texto y destaca todos los pronombres que logres identificar.

PERFECT FAMILY DAY

Yesterday, I woke up early in the morning feeling excited about the day ahead. He, my brother, and she, my sister, were already in the kitchen preparing breakfast. They were making pancakes, and I offered to help them. We all worked together, and soon the delicious aroma of pancakes filled the house.

After breakfast, he and I decided to go for a walk in the park. It was a beautiful day, and we enjoyed spending time together. He shared some interesting stories, and I couldn't help but laugh at his jokes. We had a great time.

Later in the afternoon, she and I went shopping for some new clothes. She wanted a new dress, and I was looking for a new pair of shoes. We went to different stores, and eventually, we both found what we were looking for. She bought a lovely blue dress, and I got a stylish pair of sneakers.

In the evening, they all gathered at our house for a family dinner. My parents, he, she, and I sat around the table, talking about our day and sharing our experiences. They were all so supportive and caring, and I felt grateful to have such wonderful people in my life.

a. ¿Cuántos pronombres encontraste?

b. Haz una lista de todos los pronombres que encontraste y escribe lo que significan en español
